

Hillcrest HealthCare System CareLink

When you refer a patient to any facility within the Hillcrest HealthCare System, Hillcrest CareLink provides you access to view a patient's record, including:

- **Patient Chart Review:** Office visits, inpatient and ED encounters. Filters are available so you can locate information quickly and accurately.
- **Event Monitoring:** Receive notifications when medical events occur with your patients.
- **Patient Chart Notation:** Send notes to be added to your patient's chart.
- **Documents and Images:** Upload and have them added to your patient's chart.
- **Electronic Images and Labs:** Order MRIs, CTs, x-rays, mammograms, etc.
- **Electronic Referrals:** Monitor referral status within any department or specialty.
- **Upcoming Appointments:** Review your patients' upcoming appointments.
- **Customized Views:** Adjust settings to view the information you need most often.

CareLink is for referring providers and the staffs of privileged and referring providers.

Hillcrest CareLink's "In Basket" does more than just send you notifications; you can communicate with other providers, make requests and stay connected while your patient is in our care.

Get access to CareLink:

1. Visit your current Hillcrest provider portal login page.
2. Download the **User Access and Updates Request** form.
3. Print, complete and return according to instructions on the form. You will be notified via email when your account is ready, along with your new login information.

For additional assistance, call **855.525.8770**.

Hillcrest CareLink requires a minimum screen resolution of 1024 x 768 pixels. We recommend a high-speed Internet connection to achieve the best system speed and performance.
